

TORQUE TOOLS, INC. Service Request Form

Form Instructions:

Complete all customer information. List only (1) tool per form. Write a brief description of why you are sending your tool in for service. **Send this completed form with the tool** to the Torque Tools, Inc. Service Center address at bottom of page.

- Please use a sturdy box when shipping your tool to avoid damage.
- We suggest you do not use shipping peanuts when packing. They get into the inner workings of the tool which may require additional labor to remove prior to inspection/repair.
- If sending in a Pump for service – REMOVE the Oil prior to shipping
